

STUDENT EXPENSES: TRADITIONAL BSN AND ACCELERATED BSN PROGRAMS

The following table summarizes the major expenses that students can anticipate over the course of the BSN program. The amounts are an estimation and may vary. This list is not exhaustive, some additional expenses may arise depending on the student's activities, academic progression, professional and school related organization memberships, and other events.

Type of Expense	Examples	Total Program Expense (approximate)
Items related to admission	Background Checks, immunizations, other clearances	\$300
Textbooks	Required and recommended texts	\$1200-\$1500
Clinical items	Stethoscope, uniforms, and related items	\$300
Course related services and software	TopHat, ExamSoft, Shadow Health, ATI Learning, etc.	\$750
Licensure preparation	Materials, courses, and special testing to prepare for the NCLEX-RN exam	\$500 - \$700
Travel expenses	To clinical sites and other school-related events	\$200
Graduation items	Nursing school pin, cap and gown, etc.	\$150
TOTAL		\$3000- \$3400*

* APPROXIMATE cost: amount will vary.
